

# A car club for **Your Employees**

## A sustainable way to move your people

An in-house car club from Co Wheels offers large corporates and SMEs a greener, more cost-effective travel solution for your staff.

We can provide corporate shared fleets, fit our technology in your fleets or open up our public cars for your staff.

Join the local authorities, NHS Trusts, Universities and large organisations throughout the UK already benefitting from Co Wheels car share as the greenest, cheapest and most convenient form of staff travel.

## Why use a car club for your business?

There are many benefits

### Reduce costs

Cheaper than employees using their cars and refunding them

### Reduce carbon

Staff can walk, cycle or use public transport to get to work

### Clearer reporting

More visibility of staff vehicle use with detailed reports

### Employee benefit

Improves staff health & wellbeing, and they can add a personal account

### Remove risk

No GDPR issues with employee licence & insurance data, no need to check vehicles are safe

### Reduce Parking

Free parking space for other uses, avoid Workplace Parking Levies

## How does it work?

1. Join

2. Book

3. Drive
